Dear Mr. Makarov,

On behalf of the International Baccalaureate Organization (IB), it is my privilege to inform you that **State Budgetary Educational Institution "Educational Centre" 1296**, is now an authorized IB World School for the Primary Years Programme (PYP). Congratulations to you and your colleagues on this considerable accomplishment.

Enclosed you will find your school's certificate of authorization for the **PYP**. The school will now be added as an authorized school for the **PYP** on the IB public website, including the name and contact information for the **PYP** Coordinator.

As an IB World School offering the **PYP** you are part of a global community of schools committed to developing knowledgeable, caring young people who will be ready to negotiate their futures successfully and make contributions resulting in a more harmonious and peaceful world. We commend your school's educators, administrators, students and families for their active roles in choosing to offer the **PYP**. The positive results of this choice will become evident in your community as classes of **PYP** students graduate and undertake activities that enhance social, cultural and economic environments locally, nationally and, perhaps, internationally.

The IB is committed to the professional development of teachers and looks forward to welcoming your school's **PYP** faculty members into the IB community of educators, where they will find collaborators and a dynamic global network of professionals committed to best practices in teaching students and in sharing those practices with each other. We invite you and your faculty to make your own contributions as an active member of this community.

Within the next month a member of the IB World Schools team, who will serve as your school's ongoing relationship manager, will contact your programme coordinator to introduce him or herself.

Best wishes as you embark on your journey with the **PYP**. We look forward to working closely with you to realize our shared vision of a better and more peaceful world, achieved through intercultural understanding and respect.

Sincerely yours,

Siva Kumari
Director General
